This website has been created under the best knowledge and understandings of people with special needs for web-content as well as under the best possible consideration of the WCAG 2.0 Level A rules. In case you have any troubles using this website or also if it might not have the necessary disability access, please contact us without hesitation: [LINK TO CONTACT](#).

We are trying to be as solicitous as possible in order to fit your needs.

All information, documents, materials and services are provided in their present condition without any representations and warranties. The operator disclaims any and all liability, both of explicit as well as implied nature, including but not limited to marketability and the suitability for a specific purpose. The Operator and its employees shall not, in any case, be liable for specific, indirect or consequential damages or for damages resulting from the loss of accountability, loss of data or loss of profits which result from or in connection with the documents, materials, publications or information on the website, irrespective of the fact whether they result from a breach of contract, negligence or torts.

To the extent not explicitly provided otherwise, the entire risk relating to the suitability and correctness of information on the website and in the materials, publications and documents shall be borne by the user. It cannot be excluded that the website, the materials, the publications as well as the documents contain technical inaccuracies and typographic errors. The Operator shall not be liable for such inaccuracies, errors or omissions on the website, in the materials, the publications as well as all other documents relating thereto. The Operator reserves the right to amend, at all times and without prior notice, the website, the information, the documents, the publications, the prices, the technical data, the product range and all other kind of information or materials on the website.

The website contains links to the websites of third parties which are not subject to the control of the Operator. The Operator shall neither be responsible for the content nor for links, or for any changes or updates on the websites of such third parties. The Operator provides these links only for reasons of user-friendliness. The fact that these links appear on the Operator's website does not imply that the Operator recommends the content of the websites of such third parties or shall be liable therefore.

To the extent not explicitly provided otherwise, no user shall be entitled to exploit, in a commercial or non-commercial manner, copy, disseminate, lease, lend or make available to third parties in any other form, also not in part, the software-code (HTML, Javascript, PHP etc.) or the contents or information (texts, pictures, animations, demos, etc.) used on this website.
